RE: Salary Increase – Certification from IDEM

DATE: November 5, 2014

I would like to request the 2014 salary for Adam Huwe be adjusted to reflect and additional \$2,000.00 increase allowed for the Wastewater Operator Class II and Class III Certifications from the Indiana Department of Environmental Management. Adam's salary should be adjusted to reflect an additional \$38.46 bi-weekly for each certification, and should be retroactive from October 2, 2014. His new bi-weekly salary will be \$1439.37. I have attached a copy of his certification for Class III. Upon completion of Class III, Adam automatically received the Class II certification. This falls within the parameters set forth in the WWTU Salary Ordinance.
